

Past Conference report: 2nd International Conference on Structural & Civil Engineering Research, Budapest, Hungary

Sabreen Al Zamil

Surgeon, Sabreen Al Zamil, Kuwait, E-mail: sabreenaa@hotmail.com

EuroSciCon has effectively finished up its **3rd European Conference on Surgery, Plastic Reconstructive & Aesthetic Surgery** from March 25-26, 2019 in **Budapest, Hungary**. Scientists, academicians took an eagerness for sharing their new thoughts, Knowledge and experiences related to the Plastic & Aesthetic Surgery around the world. The 2 days conference, held on March 25th through March 26th gives the leading academic scientists, researchers and analysts to share their experiences and research results essentially all details of **Plastic & Aesthetic Surgery**.

3rd European Conference on Surgery, Plastic Reconstructive & Aesthetic Surgery was originated followed by the **Keynote** session by **Mathew Nicholls**, Virginia Mason Medical Centre, United States of America with the title **“Planning for success: Maximizing quality and outcomes for patients undergoing hip and knee arthroplasty”**. **James K. De Orio**, Duke University United States of America with the title **“Total Talus Replacement”**. **Muhammad Aleem**, Jersey General Hospital United Kingdom with the title **“Outcome of laser treatment for minor anorectal conditions including fistula in ano, haemorrhoids and pilonidal sinus: a Jersey prospects”**. **Yasuyoshi Tosa**, School of Medicine-Showa University, Japan, with the title **“Present treatments of hypertrophic scars and keloids in oriental”**. **Angel J Menendez-Aponte**, San Pablo Medical Centre United States, with title **“Difficult vascular access in low profile EVAR: How it modified our practice and outcomes”**. he session was Chair by **Mathew Nicholls**, Virginia Mason Medical Centre, United States of America with the title **“Planning for success: Maximizing quality and outcomes for patients undergoing hip and knee arthroplasty”** and his session was co-chair by **James K. De Orio**, Duke University United States of America with the title **“Total Talus Replacement”**.

The first day of the conference, featured panels on General Surgery | Vascular Surgery | Colon and Rectal Surgery | Orthopedic Surgery | Otorhinolaryngology Surgery | Trauma Surgery | Ophthalmology | Breast Surgery | Cosmetic Surgery | Trauma Surgery | Burn surgery | Surgical & Non- Surgical Aesthetic Procedures

The second day Feature panels on, Cosmetic Surgery | Cosmetic Gynaecology | Surgical & Non- Surgical Aesthetic Procedures and also was exhibited with extended networking, video presentation, young Research forum session, award ceremony and lunch with Speakers and Delegates at restaurant.

With the help of the **organizing committee member** of renowned scientific and professional expert such as **Kenneth A Marshall**, Professor Harvard Medical School USA; **Ahmed Elsisy**, Head

of the Department of Plastic Reconstructive Surgery Qatif Central Hospital Saudi Arabia; **Mabroor Bhatti**, Plastic surgeon International Society of Bariatric Plastic Surgeons UK; **Yehuda Ullmann**, Head of the Plastic Surgery Department Rambam Healthcare Campus Israel; **Ana Zulmira Badin**, MD Centro Medico Athena, Brazil; **Luis M. Ayala**, Plastic surgeon Fakh Medical Center UAE; **Sabreen Al Zamil**, Owner Sabreen Al Zamil Clinic, Kuwait; **Alaa Gheita**, Professor Cairo University, Egypt. It provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas, and emerging technologies in Plastic Surgery.

Our upcoming **“EuroSciCon Conference on Plastic Surgery”** is scheduled during **May 4-5, 2020**, in the city of **Sweden, Stockholm**,

EuroSciCon Ltd. takes great pleasure in inviting the scientific community across the globe to the on **EuroSciCon Conference on Plastic Surgery** during **May 4-5, 2020, at Sweden, Stockholm**. **Stockholm** is the **Swedens’** capital, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades. **Stockholm** is considered as one of the best venues for conducting conferences due its favourite tourist destinations. This meeting will explore the Recent Discoveries in Plastic Reconstructive & Aesthetic Surgery. The upcoming **PLASTIC SURGERY 2020** focus on Recent Discoveries in Plastic Reconstructive & Aesthetic Surgery. This conference will also present the advanced research, advanced techniques for surgery technique and development. Theme of the conference **“Dissemination of effective and innovative practice in Plastic, Reconstruction and Aesthetic surgery”**.

The participants can share their research results covering the scientific aspect of General Surgery | Vascular Surgery | Colon and Rectal Surgery | Orthopedic Surgery | Otorhinolaryngology Surgery | Trauma Surgery | Ophthalmology | Breast Surgery |

Cosmetic Surgery | Trauma Surgery | Burn surgery | Surgical & Non-Surgical Aesthetic Procedures | Plastic & Aesthetic Surgery Business | Oral & Maxillofacial Surgery/ Aesthetic Dentistry | Rhinoplasty and Otoplasty | Facial Resurfacing & Rejuvenation | Nanotechnology In Cosmetology & Dermatology | Cosmetic Gynaecology | Body Modifications | Skin Cancer.

Advantages of attending PLASTIC SURGERY 2020:

1. Great opportunity to communicate and share scientific excellences from the experts.
2. Innovative techniques in new surgery development with excellent and thought provoking sessions will be helpful for researchers.
3. Well organized and worth a recommendation to more scientists and researchers in the field of Plastic Reconstructive & Aesthetic surgery.

Conference will energize [Young Researcher's Forum](#), researchers and the scientists in their beginning time of career graph to widely talk about their results to enhance and build up the thought. The

'**Best Poster Award**' is intended to empower students in taking an active part in the International Science platform to hone their abilities and knowledgebase.

The Sponsor in the **PLASTIC SURGERY 2020** can reach and get exposure to new customers, clients, business, brand mindfulness and media introduction. Our Conference has different levels like Exhibition, Sponsorship Packages and Advertisements. The **EuroSciCon Conference on Plastic Surgery** will include organizing committee members and professional experts such as **Kenneth A Marshall**, Professor Harvard Medical School USA; **Ahmed Elsisy**, Head of the Department of Plastic Reconstructive Surgery Qatif, Central Hospital Saudi Arabia; **Mabroor Bhatti**, Plastic Surgeon International Society of Bariatric Plastic Surgeons UK; **Yehuda Ullmann**, Head of the Plastic Surgery Department Rambam Healthcare Campus Israel; **Ana Zulmira Badin**, MD Centro Medico Athena, Brazil; **Luis M. Ayala**, Plastic Surgeon Fakih Medical Center UAE; **Sabreen Al Zamil**, Owner Sabreen Al Zamil Clinic, Kuwait.
